

Winans Lake Views

The Lake Views is a news letter for WLA members and residents around Winans Lake. Contact Terre Voegeli, voegelit@gmail.com, to add or remove emails from the distribution list.

Christmas Caroling

It's a neighborhood holiday tradition! Martha will once again lead carolers in house-to-house caroling and host an after-glow at her home. Please see flyer for this year's details. Hope to see you there!

Winter Lake Dock and Raft Removal

Despite the unseasonably warm weather, winter is upon us. Lakefront members are reminded that WLA rules require that docks, dock supports and swimming rafts are to be removed from the lake. If you still have a dock or raft in the water, please ensure that it is removed and stored a.s.a.p.

Ice Fishing

With winter and colder temperatures fast approaching, thoughts turn to winter activities. Now is the time to review the WLA ice fishing rules.

15. Ice shanties shall have a numbered flag provided by the WLA or LGCC. There shall be no more than one shanty per such flag. Shanties shall be removed from the lake at the end of each day. Ice holes are to be clearly marked for safety.
16. Bass over 18 inches and pike under 26 inches must be released.
17. Any live baitfish used must be obtained from a State-certified bait dealer, and must not be disposed of in the lake.
18. Ice-fishing flags must be clearly displayed at all times when ice-fishing.
19. Members of LGCC that are issued an ice-fishing flag by LGCC must be present on the ice with their flag.
20. No tip-ups, tip-downs, or other setlines are permitted. For the purposes of this rule, a setline is defined as any fishing line more than fifteen (15) feet from the fisherman or that is not under the direct control of the fisherman.
22. Any fisherman that is determined to be in violation of WLA fishing rules may have their flag and fishing privileges revoked as determined by the WLA Board.

Ice fishing flags can be obtained from Greg Dygert. You can reach him by phone (810-231-2644) or email (stanleywings@yahoo.com).
