

## **Welcome to the first newsletter of 2019**

The Winans Lake Views newsletter is a communication vehicle for the Winans Lake Association (WLA) and the lake community. It is published on a need basis but you can access WLA information at any time on the Winans Lake Association (<http://winanslake.org>) website.

Articles or pictures you'd like included in the newsletter can be sent to Terre Voegeli (voegelit at gmail dot com) or any current board member. Articles relevant to the WLA mission or of general interest will be included in the next newsletter. Guidelines for articles were formalized last year and will be posted on the WLA website.

You are receiving the Winans Lake Association newsletter because you are a current Winans Lake Association member on the Lakelands country club membership list **OR** because you have asked to receive the newsletter in past years. You can email me directly (voegelit at gmail dot com) to add additional household email addresses, change existing email addresses or be removed. You can also use the Mailchimp unsubscribe option at the bottom of the newsletter to change your email address or be removed from the mailing list.

## **WLA Board Meeting**

The next Winans Lake Association board meeting will be held on April 11th at 6:30 at Lakelands Golf and Country Club (LGCC).

## **Easter Egg Hunt**

The annual Easter Egg hunt will be held Saturday April 13th at 10:00 am. The attached flyer contains additional details.

## **WLA Beach Parking**

The WLA and LGCC are investigating the possibility of expanding the beach parking area to help address safety issues caused by vehicles parking on the side of Pleasant Lake Rd. Overflow parking on the road poses a serious safety issue to the public, as the road is not wide enough to safely accommodate parking. Over the years, roadside parking has also caused complaints from citizens, Hamburg Township and Livingston County. The preliminary plan is to expand the current area approximately 100 ft south, which should allow space to park an additional 6-8 vehicles. This should be enough to accommodate beach parking needs for all but busiest days which, in turn, should significantly improve public safety and help avoid any governmental issues.

Please contact Greg Dygert if you have any questions or concerns.

## **Lake Health**

The effort to contain and manage the milfoil in Winans Lake continues. The lake will receive its annual spring treatment May 13th subject to weather and personnel.

## **Mark Your Calendars**

- **May 18th Beach Cleanup** The beach cleanup date is Saturday May 18th at 11:00 am. The rain date is May 19th. More information including a wish list will be included in the next newsletter.
- **Annual Meeting - May 30th** The Winans Lake Association Annual meeting will be held the evening of May 30th at Lakelands Golf and Country Club.
