

2020 Annual WLA Meeting

Due to the Covid-19 situation, the WLA board has voted to postpone the 2020 WLA Annual Meeting originally scheduled for May 28th until further notice.

The current WLA board will continue as is until an annual meeting or special election is held.

The WLA still needs 2 additional board candidates. Please consider this opportunity to give back to your lake community.

Beach Cleanup

The annual beach cleanup is set for May 16th at 12 Noon and with May 17th the designated rain date. We need several volunteers to help with the dock and various other tasks. Volunteer work helps to keep our dues down, so please donate some time if you can.

Note: State restrictions are set to expire May 15th. If they are extended, the beach cleanup will be rescheduled. Beach opening and best practice operation will be determined by Lakelands Golf and Country Club.

Tasks to be completed:

- Raking and tilling the beach area and the playground
- Dock installation
- Raking the lake
- Setting out the furniture
- Raft launch and Swim buoys positioned
- Sprinkler heads need attending (cleaning of the heads and adjustments to the spray action)
- Planting flowers
- Priming the sprinkler system.
- Cleaning the facilities
- Leveling out the walkway from the beach to the beach house.

Bring your:

- Rakes
- Shovels
- Tractors
- Waders
- And elbow grease!

Everyone is welcomed! Refreshments and camaraderie await you!

You can contact me, Carrie Dygert, at 734-604-five or cdygert@hotmail.com, if you have any questions or would like to help with small projects on a different day. If you have children that need to earn community service time for their organization, this would be a great way to get in some hours!

And here is the “2020 Wish List,” any contributions will be greatly appreciated:

- 30 Pool noodles and five 5-gallon buckets. (All of our pool noodles from last year were so old that they were disintegrating.)
- Fishing nets to catch the gigantium bass, “Big Ben”
- Solo cups for members who forget the “No Glass” rule.
- Baking Soda for fridge and freezer
- Adirondack ottomans
- Child size Adirondack chairs
- Flowers for the planters.
- A volunteer with a tractor to spread the sand that will be delivered in June.
- Three 30-foot cedar logs that haven’t been treated
- Shovels and boogie boards from 5 and Below.
- More “cheeses” from Knutson’s in Brooklyn, MI
