

2020 Annual WLA Meeting

The WLA Board met May 28th and determined that due to the current uncertainty, a timely in-person annual meeting cannot be confidently scheduled and therefore will not be held this year. To update members on the lake's status, this year's annual meeting package will include a summary of the year's major accomplishments as well as the standard financial statement and board candidate information.

Voting for board candidates will only be done by mail this year. The annual meeting package will include candidate information, a household ballot and also a pre-addressed stamped envelope.

Questions can be submitted to the board using the *winanslakesecretary at gmail dot com* email address. Questions that are of interest to entire the Winans Lake community will be answered in a subsequent newsletter.

Watch for the annual package, review the past year's progress, and vote for board candidates!

WLA Board Meeting

The next WLA board meeting is tentatively scheduled for July 9, at 6:30 in the Beach House.

Lake Weed Treatment

The initial lake treatment to control the invasive milfoil weed was done on May 27. Subsequent spot treatments may be done later in the summer if needed.

Reminder - Beach Cleanup May 30th

The annual beach cleanup is May 30th at 12 Noon with May 31st the designated rain date.

We need several volunteers to help with the dock and various other tasks. Volunteer work helps to keep our dues down, so please donate some time if you can. Call Carrie Dygert (734-604-5822) if you have any questions.

Passages

Marshal (Mac) Milosch, 84, passed away January 4, 2020. He and his wife Jane moved to Winans Drive from Oak Point. Mac loved to play golf and fish and was active at Lakelands serving on the board as well as various committees. As time went on, he and Jane moved to Cowell Road to be on the lake enabling him to fish out his back door.

Doug Knapp, 101, passed away on May 3rd. He and his wife Gig (Grace) lived on the lake for 40 years. As a WWII test pilot and decorated veteran, he was a fixture at the Winans Lake Fourth of July celebration. He and his wife were both active golfers and members of Lakelands Country Club and our Lake Association. Doug was a good steward of the lake, and was a mediator between the Lake Association and the Club among his many contributions to our lake community.

Lake Life

Our **First in the Lake** award goes to 8-year-old Cash Ray of 8868 Hendrick Drive. He went in, and under, on April 18th. Congratulations Cash!
