

## WLA Board Meeting

The Winans Lake Board will meet Thursday evening December 10th via Zoom.

## Winter Lake Dock and Raft Removal

What a different fall from last year! People were still golfing and kayaking in November; and a swimmer was even spotted last month.

December is also starting out warmer than normal. There are still a few warm days the horizon giving procrastinators a chance to complete their fall lakefront maintenance. Lakefront members are reminded that WLA rules require that docks, dock supports and swimming rafts are to be removed from the lake. If you still have a dock or raft in the water, please ensure that it is removed and stored before winter comes roaring back.

## Christmas Caroling

Unfortunately, there will be no Christmas caroling this year.

## Passages

**Harrison "Harry" Leon Morton**, 81, passed away October 13, 2020. Harry Morton was a professor emeritus at the University of Michigan school of Natural Resources, where he arrived in 1966. He also served as Director of the Nichols Arboretum from 1986-1999. He and his wife Diane (married 58 years) have lived on the lake for 30 years. He was affectionately known around the lake as "Dr. Tree." Harry was active in the Lake Association and initiated a planting program which provided trees, bushes, and bulbs for residents around the lake to plant at their homes. There are now many 30 foot white pines in the neighborhood thanks to his efforts.

**Gail Ann Doran**, 84, passed away September 28, 2020. Gail had a long association with Winans Lake starting with summers spent here at her parents cottage. After moving here as a young widow with five children, she remarried. She raised five children on the lake and spent much time at the beach. Gail greeted life with enthusiasm - she loved playing golf, playing cards, and spending time with her life-long friends. Gail always enjoyed a good debate, classic movies, Sinatra, watching her bird feeders, flipping through all of the days news, and above else sitting down with a great book and reading.

## Welcome to the Neighborhood

Allison and Jack Denzer welcomed Hazel Ruth who arrived precisely on her due date, Tuesday September 15th at 4:39 pm. She is 6 pounds 10.5 ounces and 21 inches in length.

### New Neighbors

Mary Evergreen does a great job welcoming new neighbors but could use YOUR help. Please send her an email if you see movement on houses next/close to you. Her email is mlevergreen at charter dot net.

### Newsletter

Please send any articles or pictures you'd like included in the newsletter to Terre Voegeli (voegelit@gmail.com).

You are receiving the Winans Lake Association newsletter because you are a current Winans Lake Association member on the Lakelands country club membership list **OR** because you have asked to receive the newsletter in past years. You can email me directly (voegelit@gmail.com) to add additional household email addresses, change existing email addresses or be removed. You can also use the Mailchimp unsubscribe option below to change your email address or be removed from the mailing list.
