Lake Life

Easter Egg Hunt - Saturday, March 24th

It was a cold morning, around 30 degrees, with most of the snow gone. The eggs were hidden on the McGinn's lot and Victor had a nice fire going by 10:00am. We had a good turnout despite the cold temperatures and the wind, which had been blowing very cold all week but had slowed down for the morning.

We had 15 children and many more adults in attendance for a total of 30-35 people. Many of the children were 2nd generation participants.

Folks did not linger, so we did have some bunny cake and hot chocolate left over but I think a good time was had by all, and it's nice to see the tradition continue for the young children in the neighborhood.

First in the Lake - 2018

Winter and unseasonably cold weather seemed to last forever. This year Samantha and Carina Dygert made their brave plunge into the lake on April 12th to claim the "First in the Lake" award.

Congratulations to you both!

Final Reminder: Please Return Ice Fishing Flags

Now is the time - return your ice fishing flag to Greg Dygert (5874 Cowell) or to any board member or LGCC.
