Beach Help

Beach Spruce Up: Starting at 9 am on June 30th, there will be a Beach Spruce Up to prepare for the July 4th activities. This includes spot weeding the flower beds, rototilling the sand and under the play structure, and any other projects to make the beach house ready for the 4th!

Wandering toys: If you encounter any toys washing up onto your beach, or while you are out boating, feel free to collect them. You can call or text Carrie, 734-604-5822, who will come and fetch them from your home and deliver them back to the beach house. Of course, feel free to return them to the beach house yourself.

Log re positioning: Help is needed to move the log that is lodged in front of the Mastenbrooks' home. If you have the strength to help out, please contact Carrie at 734-604-5822.

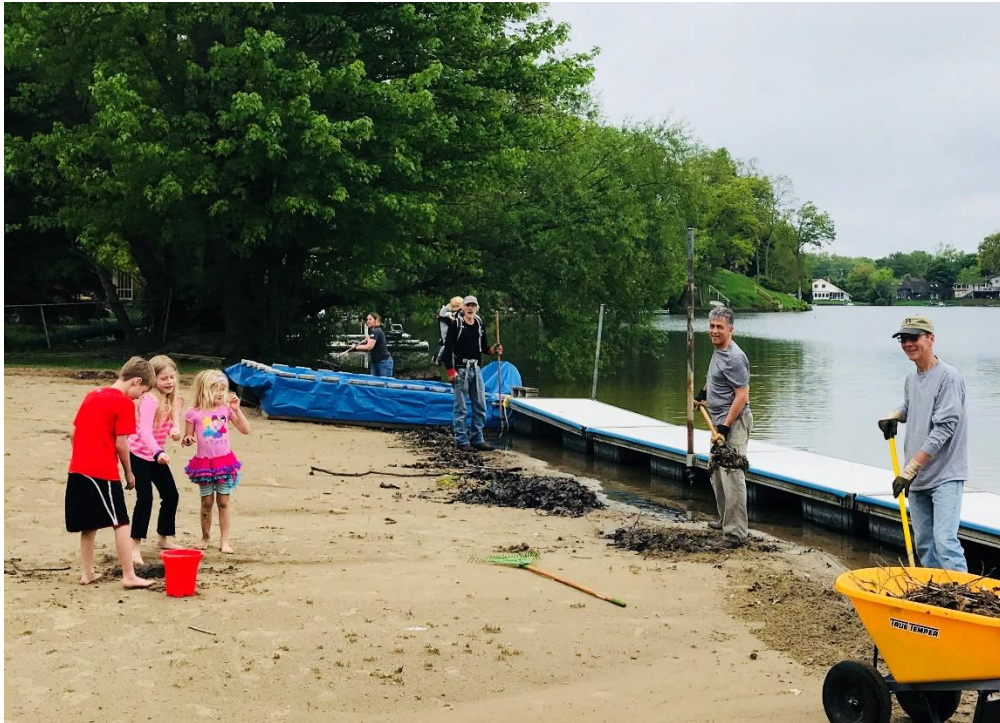

Beach Wish List

Our beach is still in need of a few items. Call Carrie Dygert (734-604-5822) to donate any of the following:

1. Weeding (both in lake and in flower beds)
2. Oars for row boat
3. Plastic cups (for patrons who forget that glass bottles are not allowed on the beach)
4. Help in moving the swim logs back into position.
5. 5-gallon buckets
6. Noodles
7. Ideas how to keep swim toys from straying too far from the beach
8. Someone to check out the sprinkler heads.

Lake Life

Our beach was cleaned up and made operational by a group of very hardy souls on Sunday, May 20th.

But not everyone was working . . .
