

WLA Board Meeting

The next WLA board meeting will be at 6:30 pm on January 13, 2022. Since LGCC is closed in January, location is TBD.

Check the [Winans Lake](#) website for location and | or Zoom information the beginning of the next year.

Lake Docks

Winter is coming and while temperatures are erratic, they are falling. If you haven't already, its time to pull your docks in and store them for the winter.

Proper Fall Leaf Cleanup

The *DNR* strongly **discourages dumping leaves and grass clippings** into a lake, river, wetland, or other body of water. Leaves, grass clippings and similar debris add nutrients to the water that use up precious oxygen as they decompose.

You can do your part to help maintain our lake's water quality by not blowing your leaves into the lake.

Association Rules Changes

Changes were made at the November board meeting to two association rules. The revised rules read as follows:

Fishing Rule 13: Battery powered ice drills are allowed. Ice holes must not exceed 8" in diameter. Gas powered ice augers or other gas-powered equipment or chainsaws may not be used to create holes in the ice.

Boats Rule 4: Motor propelled watercraft of any kind, or motorized vehicles of any description, including personal watercraft, automobiles, snowmobiles, ORVs or aircraft may not be used on Winans Lake, except as specifically designated by the Board for lake maintenance. Abutting WLA members may use motor-driven or motor-propelled snow removal equipment, but not plow-equipped motor vehicles, to clear an area for ice skating.

The complete set of [WLA rules](#) are available from the Winans Lake website.

Winans Lake Area Drainage

Mark your calendars for December 13th at 7:00 pm. The Livingston County Drain Commission is holding a Board of Determination in the Hamburg Township Hall Boardroom for the proposed Winans Lake area drainage project. More information will be sent in December describing how you can help support this effort.

Lake Life

Do these flowers know its November?

Welcome to the Neighborhood

New Neighbors

Mary Evergreen does a great job welcoming new neighbors but could use YOUR help. Please send her an email if you see movement on houses next/close to you. Her email is mlevergreen at charter dot net.

Newsletter

Please send any articles or pictures you'd like included in the newsletter to Terre Voegeli (voegelit@gmail.com).

You are receiving the Winans Lake Association newsletter because you are a current Winans Lake Association member on the Lakelands country club membership list **OR** because you have asked to receive the newsletter in past years. You can email me directly (voegelit@gmail.com) to add additional household email addresses, change existing email addresses or be removed. You can also use the Mailchimp unsubscribe option below to change your email address or be removed from the mailing list.
