

WLA Board Meeting

The March WLA Board meeting will be held Thursday, March 10th at 6:30 pm at Lakelands Golf and Country Club.

Winans Lake Association Board

The Winans Lake Association Board has a huge positive impact on our lake community. Example are safeguarding the lake's water quality, improving beach safety by expanding the parking lot, and planning community social events.

If you want to be involved in the future direction of our lake and community, consider running for the Board. Two positions will become available in May at the annual meeting. Contact Greg Dygert (stanleywings at yahoo dot com) or any member of the board for more information.

Clarification on Changes: How The Garbage Man Does Recycling

After several WLA members got conflicting answers from The Garbage Man in mid-January, we investigated further. Here's what we confirmed:

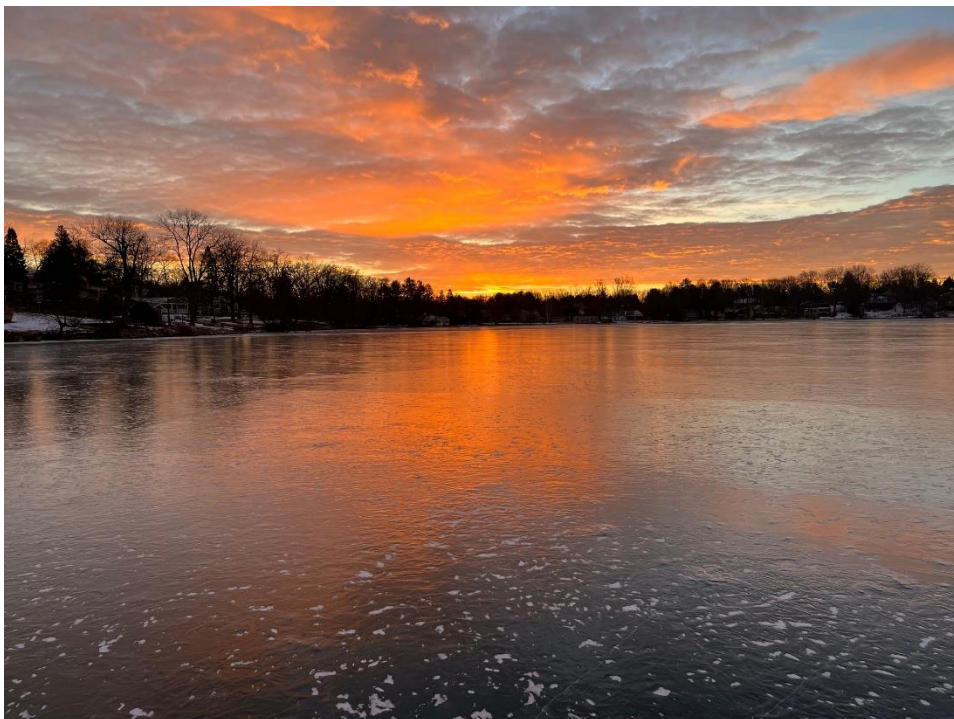

- You may continue to use the blue bags for your recycling till you run out of them. When you run out, contact The Garbage Man at 810.225.3001 and request one of their 96-gallon roll carts. The cost -- \$20 per quarter (hence \$1.54 per week) – begins from the date your roll cart is delivered.
- The roll cart is picked up every other week on the same day as your trash, e.g., Jan. 19, Feb. 2 & 16, March 2 & 16 & 30, etc.
- As always, recycling is optional.
- Once you start using one of its roll carts, The Garbage Man will be accepting clear and colored glass bottles and jars. It will continue doing so unless the recycling center it uses stops accepting them.

Attention! *If you haven't already ordered your recycling roll cart, you should call immediately. Supply was limited the end of January with cart deliveries by the end of February and first pick up March 2nd.*
