

WLA Board Meeting

The Winans Lake Association Board will not be meeting in October.

Lake Surveys the Week of Oct 10th

The WLA plans to conduct lake surveys the week of Oct 10th in conjunction with a prospective lake management company. Motorized watercraft will likely be launched from the beach and used to survey the lake to assist the management company in planning. These are surveys only--No chemical treatments will take place.

Lake Dock & Raft Storage

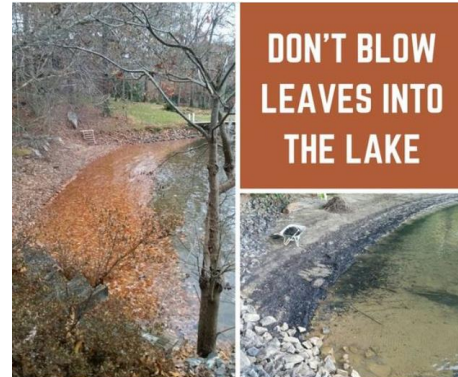

All good things must come to an end. Its officially fall, leaves are turning, and temperatures are starting to fall.

If you haven't already, its time to bring in your docks and rafts from the lake.

Proper Fall Leaf Cleanup

The *DNR* strongly **discourages dumping leaves and grass clippings** into a lake, river, wetland, or other body of water. Leaves, grass clippings and similar debris add nutrients to the water that use up precious oxygen as they decompose.

You can do your part to help maintain our lake's water quality by not blowing your leaves into the lake.

MSU Introduction to Lakes

MSU Extension's popular Introduction to Lakes Online course is back in session January 10!

Registration for the award-winning [Introduction to Lakes Online course](#) is now open! This six-week online course is designed for anyone interested in inland lakes, including lakefront property owners, recreational users, and managers. Over 1,500 people have participated in the class since it was first offered online in 2015.

In this course, you will learn about inland lake ecology, management, and protection through six interactive online units. Inland lakes are complex ecosystems and are often negatively affected by both the people that live near them as well as the water that drains into them. Frequently, local communities struggle to protect and manage inland lakes in a way that incorporates the best available knowledge and resources.

Lake Life

A little catch up from the summer to brighten the fall days.

Winans Lake at the end of the rainbow! We are so lucky to live on such a treasure!

Winans Lake Wedding

The Coates family scored a first by having a wedding ON the lake this summer. Many enjoyed sneaking a non-invited view from their yard bordering the lake. But for those who missed the event, here are some up-close pictures.

Lordy Lordy
Ward's not Forty . . .

Martha and Victor Leabu created a video this summer capturing the setting sun at the Fair Lane Estate. Enjoy this unique occurrence as it happened on the summer solstice.

Welcome to the Neighborhood

Erin Kalahar, Natalie Arend and Hayley Rueger are subleasing 6158 Winans Drive from the MacDonalds while they are on a humanitarian mission in Poland.

Dr. Teleah and Donald Phillips have moved into 8780 Tamarack Drive.

Erica and Ryan Urban have moved into 6125 Winans Lake Road.

New Neighbors

Mary Evergreen does a great job welcoming new neighbors but could use YOUR help. Please send her an email if you see movement on houses next/close to you. Her email is mlevergreen at charter dot net.

Newsletter

Please send any articles or pictures you'd like included in the newsletter to Terre Voegeli (voegelit@gmail.com).

You are receiving the Winans Lake Association newsletter because you are a current Winans Lake Association member on the Lakelands country club membership list **OR** because you have asked to receive the newsletter in past years. You can email me directly (voegelit@gmail.com) to add additional household email addresses, change existing email addresses or be removed. You can also use the Mailchimp unsubscribe option below to change your email address or be removed from the mailing list.
