## Lending Library

The little lending library by the beach has been refreshed for the summer. Check it out before all the best books are gone!

The Winans Lake Association will be hosting a full day of activities for one and all! This will be the 32nd annual neighborhood gathering, and we hope lots and lots of you turn out to join in the festivities. Here is a brief synopsis of the day's activities:

- 8:00 am Swim, Bike and Run Relay starting at the beach

- 10:30 am the decorated bike, wagon, stroller, golf cart, etc. parade starting at the Governor Winans historical marker on Winans Drive
- Our traditional flag ceremony at the McGinn's flagpole (end of the parade) on Winans Drive
- The continental breakfast returns this year, hosted by the Pelky's on Winans Drive. It follows the flag ceremony.
- First in the Lake recognition during the continental breakfast.
- Liz Larwa will organize and lead the annual games. They will start after the continental breakfast in the same location on Winans Drive.
- 3:00 pm decorated boat parade.
- Finally, the day ends with our traditional potluck at the beach featuring the grilling skills of Simon and Lee Ren. Grilling starts around 5 pm; bring a dish to share. Don't be late!!!!!!!!!!

If you 'd like to help or need more information, give Martha a call at 810-923-0535.

## **Community News**

*Information comes to the attention of the WLA board that is not associated with the association's charter but is still of interest to the community. This section is added to pass on that information to the Winans Lake community.*

### **Cowell Road Work in July**

The WLA has learned that the Livingston County Road Commission (LCRC) plans to install a limestone surface on Cowell Rd from Teahen Rd east to Hamburg Rd (limestone was previously installed on Cowell from Teahen West to Chilson in 2021). This work is expected to occur the week after the 4th of July or the following week. Residents may want to seek alternate routes and avoid the area during the construction.

The limestone surface should improve the road quality, minimize maintenance, improve drainage and reduce the amount of sediment flowing into the lake. This project is not being conducted or funded as part of the Winans Lake Drain, but it is clearly a consequence of the WLA's efforts in focusing attention on the road and drainage issues in the area.

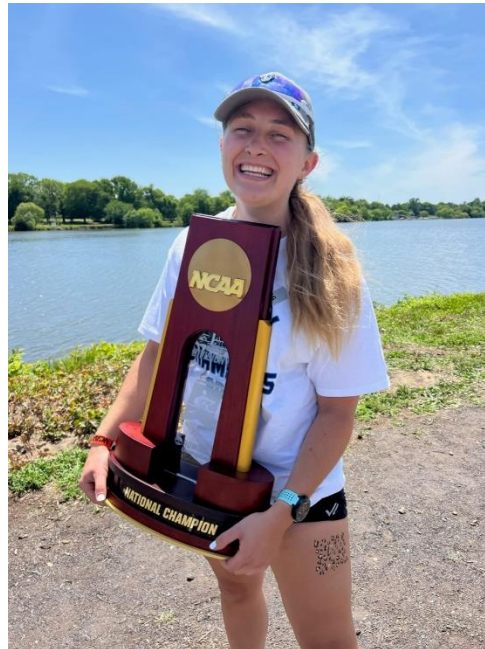

Many thanks to Hamburg Twp and the LCRC for their support with this long overdue improvement.
