

2024 Annual WLA Meeting

The annual Winans Lake Association meeting will be held on Tuesday, May 21st at Lakelands Golf and Country Club. Social time starts at 6:30 and the meeting begins at 7:00 pm. Come to socialize with your neighbors, hear about the activity and progress made over the past year and cast your vote for new board members.

Winans Lake Board Meeting

The next Winans Lake (WLA) Board meeting is scheduled for Thursday, June 13th, at 6:30 pm. It will be held at Lakelands Golf and Country Club (LGCC). The May Board Meeting has been cancelled.

You Too Can Do It!

It's not too late to step up and run for a position on the WLA board.

There are still two openings for board candidates. Serving on the board is a good way to have direct knowledge and input into the quality of our lake and life around it. If you are interested in running, know somebody who would be a good candidate, or want more info, please contact Dan Luria (dluria@the-center.org) or any board member.

Beach Cleanup Day

The spring beach cleanup is scheduled for Saturday, May 18th at 1pm. Volunteers are needed to help put in the dock and for various other chores to open the beach and get it ready for summer. Remember: Volunteer work helps to keep our dues down, so please donate some time if you can. Rain date is Sun May 19th. Contact Michael Wheeler if

you want more information, he is coordinating the day. (mwheeler1 at gmail dot com)

Beach opens Memorial Day weekend.

Missing Dock Float

A black dock float has become detached from one of the beach docks and gone missing. If you find it on your lake front, please contact Michael Wheeler (mwheeler1 at gmail dot com) or Greg Dygert (stanleywings at yahoo dot com).

Access Site Cleanup

The northeast ("Frank's") access site was cleaned up this month. New racks were built that can hold paddle boards or kayaks, brush was cleared, extraneous items removed. View the results:

In the cleanup process, a misnumbered paddle board and an unidentified orange canoe were found. If either of these items are yours, please contact Greg Dygert (stanleywings at yahoo dot com).

Community News

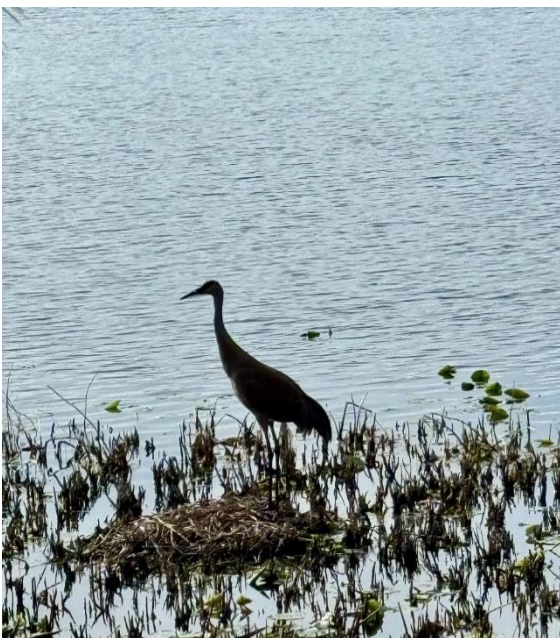

Information comes to the attention of the WLA board that is not associated with the association's charter but is still of interest to the community. This section is added to pass on that information to the Winans Lake community.

Hamburg Township residents have new rules for fertilizer this spring

To help combat the problem and keep waterways in the Huron River watershed healthier, officials passed an ordinance last fall banning the use of fertilizers from Nov. 16-April 30. During warmer months, fertilizers are banned within 50 feet of the water's edge.

Breaking the new rules can result in fines starting at \$100.

Welcome to the Neighborhood

Please welcome Elizabeth Peterson and Dillon Harden who have moved into 5955 Winans Dr. They have brought with them three cats: Rocky, Lucy and Kevin. (Let's hope the cats like chipmunks!)

New Neighbors

Mary Evergreen does a great job welcoming new neighbors but could use YOUR help. Please send her an email if you see movement on houses next/close to you. Her email is mlevergreen at charter dot net.

WLA Web Site

The Winans Lake Web Site is up and running. Check it out for the latest news and beach schedule at WinansLake.org.
