

## WLA Board Meeting

The next WLA board meeting is scheduled for 6:30 pm on September 12th and will be held at LGCC.

## Lake Quality Update

Just a couple of quick notes on our lake's status:

1. The initial milfoil treatment took place on June 10th and it has proven to be very effective. While not confirmed, at this time a second treatment is not anticipated.
2. Water lily treatment was offered to qualifying lakefront owners and those who personally contracted for the service had their waterlily beds treated Wednesday August 7th.

## Excessive Road Noise

House Bill 5696 would give police officers the power to stop noisy cars and increase fines. The bill was brought to the floor and had its third reading June 27, 2024 but has been postponed temporarily.

I'm sure Ann Bollin was happy to hear from her prior constituents but after the redistricting in 2022 we became part of a different district. Our current state representative is Jennifer Conlin and our state senator is Lana

Theis.

### **33rd Annual Fourth of July Memories**

The 4th of July fell on a Thursday this year making it a 4-day weekend for many, but it appeared that our regular attendees chose to stay here and join in the fun. Our day starts with the swim, bike, run event at 8:00 am at the Beach. We had a good turnout with participants ranging in age from 3 to 80. Next was the Parade on Winans Drive at 10:30, followed by the flag raising ceremony with recognition of local service members and first responders. This was followed by the continental breakfast and games in the street. The Boat Parade took place at 3:00 followed by the potluck at the Beach at 5:00.

All of these events were well attended, with the exception of the potluck. There were predictions of rain, so perhaps that kept folks away this year. Many people help to make this day the wonderful event that it is. They are: Angie, Josh, and Simon Killom, Melissa Benzie, Al and Denise Pelky, Liz Larwa and family, Mary Evergreen, Michael and Brenna Wheeler, Simon and Lee Ren, and Ken Martenka. Many thanks to all of you. Martha Leabu
