community. Lake members also receive access to the Club dining facilities and social events as well as Four Flex rounds of golf each year.

## 2025 Lake Quality Plans

Our professional lake management company, PLM, treated the lake with a new selective long-lasting herbicide on June 9th. The north side was the focus of this first treatment. Follow-up treatment for the entire lake is planned to occur in July.

The Winans Lake Association will be hosting a full day of activities for one and all! This will be the 34rd annual neighborhood gathering, and we hope lots and lots of you turn out to join in the festivities.

## Lost and Hopefully Found

A surfboard which attaches to a homemade sailing vessel built by Tom Coates floated away during the lake's thawing earlier this year. If it floated up onto your lakefront, please give Tom (810-229-8916) and he'll come and remove it.
